Another MCR X-Country Series is done and dusted with the last round held last Saturday up at the Beattie's property.

Some close finishes saw Shaun Blackie on his new YZ450F coming in front of Robert Laing in the premier over's class and maintaining 1st position, a spot he has held since round 2 of the competition. Craig Ellis just pipping Scott Moodie secured the last podium spot.

The Under's class was a bit more out cut and dry with the Team Kawasaki Milton Boys having it all their own way. First place going to Liam Taal, second going to Dwain Shuttleworth and Daniel Lamb taking third place.

The Vet's class, again the biggest by far, had an early leader in Stephen Whitehead who had a bad off in round 4 earning a chopper ride and a mean total arm bandage. Matching Stephen's pace was Jol Hennessy who claimed the first overall series winner with 2 wins over the series. Stephen Pollock took out the 5th round victory and 2nd overall in the series with Dave Sasse holding on to third.

The 45+ Vet's had their own battles with Des Knudson proudly taking the #1 spot followed by Richard Morshuis and Michael Scorgie.

The Junior Class Under's saw Jacob Rutherford dominate on his YZ85 taking 4 wins for the 4 events he attended. Jacob was having some great battles with Andrew Henderson who won the Over Juniors Class. In the last round it came down to the last corner, Andrew came

flying in a bit hot just losing the front wheel and allowing Jacob to slip up the inside. Great racing for the spectators.

Josh Lamb and Brittany White were 2nd and 3rd in the Under's with Campbell England and Jackson Veitch 2nd and 3rd in the Over's.

Rick Jamieson (Ricky Bobby) was very happy with Yamaha taking out 4 of the six classes and top 3 spots in the Vet's.

A great series overall but we would like to see more faces out there. Niven is working towards having a trail ride class next time and hopefully people will come along and have a go. Mum's and Dad's, we need a lot more juniors coming through in this type of racing so get your kids out there to have a go.

The series is set to begin earlier, (this year), to allow for less clashing of events around the South Island, so pencil November in your calendars.

A BIG thanks to Niven and his team for organizing and making out the tracks and to Donna and Debbie for all their organizing and lap scoring.

We are looking forward to November and the 2011 MCR X-Country Series.

Should be all on for young and old!

(Dave Sasse)
