Yamaha's leading TT-R range includes the beautifully-styled TT-R110E, which is aimed at new riders as well as those graduating from the smaller TT-R50E.

Its radical racing-blue, motocross-style bodywork has been directly inspired by our MXGP-winning YZ race bikes. For easy steering and high levels of rider comfort, this good-looking youth bike features long-travel front and rear suspension.

New and experienced off-road riders will love the smooth and strong performance of the 110cc 4-stroke engine, and the 4-speed semi-

automatic gearbox means that there is no clutch lever for riders to worry about.
